DuraGarage
STORAGE CABINETS

TheGarageShop has everything you need to organize your garage and make it easy for you to keep it that way. **DuraGarage cabinets** and storage products are the perfect choice for homeowners wanting to organize their garage and eliminate garage clutter.

Every garage and storage need is different, so why settle for garage cabinets that only offer one-size-fits-all choices? With our **DuraGarage Cabinets** your **ProPartner** can design your garage storage system to fit any space, any need, any style!

DuraGarage products have everything you need

Professional design and installation. A factory-trained ProPartner will design and install everything for you.

Choice. With dozens of cabinets types from which to choose and almost unlimited size options, these cabinets will fit any space, any need.

Durability. From extremely durable powder-coated finishes to tough work surfaces, DuraGarage solutions are designed to withstand almost anything everyday life throws at them.

Style. Mix-and-match 12 attractive powder-coated door colors and four great choices in melamine box colors to suit almost any taste, any style.

Quality construction. From quality materials to high quality hardware, everything has been selected to last a long time. And we back our cabinets with a Lifetime Factory Warranty.

Ease of use. DuraGarage cabinets are designed for the user. Wide opening doors with easy to adjust Eurostyle hinges, and full-extension drawer glides so every inch of your drawers are accessible. And seamless powder coated finishes require little or no maintenance

Flexibility. Add slatwall or overhead storage to use every inch of your garage. Stuff that doesn't fit in a cabinet can hang on the wall or store overhead.

Off-the-floor design. Cabinets stay off the floor away from water and spills and easily adjustable leveler legs deal with uneven floors.

Finishing touches. Add durable countertops, slatwall and overhead storage to complete your perfect garage storage solution.

DuraGarage + ProPartner = No fuss. No mess. For you.

Local ProPartner Dealers and DuraGarage

DuraGarage storage products are available only through our network of authorized factory-trained ProPartner dealers.

Organizing your garage with DuraGarage products is easy. Your local ProPartner will come to your home, take any necessary measurements, discuss your needs, and design a storage solution just for you. Once you've agreed on the design, your ProPartner will send everything to our factory, where your DuraGarage cabinets will be built to your exact specifications.

When your DuraGarage cabinets are completed your dealer will install your DuraGarage products, ensuring everything is properly installed so you can enjoy your newly organized garage for a long time.

No fuss. No mess.

Why choose DuraGarage?

- **Built to order** to ensure that what is ordered is what you get!
- **Lifetime Factory Warranty** on DuraGarage cabinets, so you know they'll last a long time
- **Lifetime Warranty** on hardware
- Cabinets are manufactured in our Illinois facility to ensure quality and consistency

Here are more great ideas for DuraGarage

DuraGarage cabinets look great anywhere.

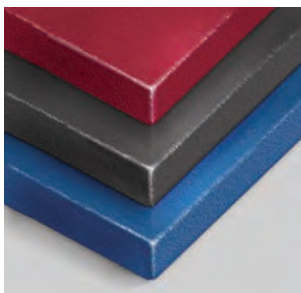

Built for the Garage

DuraGarage Cabinets, offered exclusively on **TheGarageShop.com**, feature powder-coated door and drawer fronts. Powder coating finishes are seamless, so they're not affected by changes in humidity or temperature. The semi-glossy finish requires no upkeep (other than occasional cleaning with soap and water) and will keep its good looks indefinitely. They're meant to last!

Why do we powder coat?

Powder coating is one of the longest lasting and durable finishes available, but until recently powder coating was used only on metal. We have perfected (and patented) a process of applying powder coating on MDF (high density fiberboard) that is as durable as metal, looks just as good, is less expensive and is perfect for home use.

We powder coat everything in-house, so we have full control over the quality and consistency of the finish. All doors and drawer fronts are powder coated in the same batch to ensure a perfect match. And since we don't wait for outside vendors, you'll get your cabinets quicker.

Powder coating creates a finish that is seamless, stain, scratch and UV resistant, and is superior to paint, plastic or laminates. And it looks great!

Powder coating on MDF is an environmentally friendly process, and does not require a solvent and contains no heavy metals or VOCs.

DuraGarage Cabinet Color Choices

DuraGarage Cabinets are available in 48 attractive mix-and-match color combinations. You're sure to find something to satisfy your taste and decor.

Cabinet doors and drawer fronts are made of high quality MDF and are available in 12 attractive powder-coated colors. Cabinet boxes and shelves are made from 3/4 inch M2 industrial-grade melamine and are available in four colors

You can choose the box and door color combination that works best for you!

Mix door and box colors to suit your personal taste.

Powder-Coated Finishes for Doors / Drawer Fronts

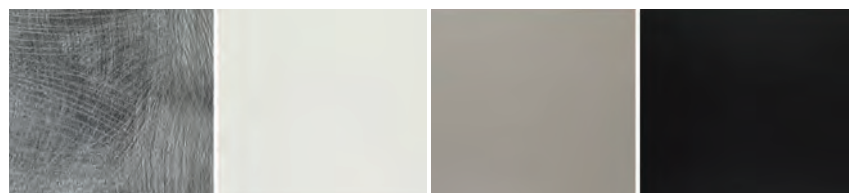

Top Row: Burgundy, Pewter, Blue, Black, Dove Gray and White

Bottom Row: Red, Platinum, Folkstone, Orange, Earthstone and Sandstone

Cabinet Melamine Box Colors

Melamine colors: Pewter Brush, White, Gray and Black

Quality Construction and Hardware

DuraGarage Cabinets use quality materials and construction throughout. Cabinet boxes are made from 3/4 inch industrial grade melamine and use locking dowels and cams for strength. Drawer boxes are built from 9-ply Baltic birch plywood and feature superior dovetail construction.

Hardware has been selected for use in the garage environment, and carries a Lifetime Warranty. Heavy duty full-extension drawer glides provide easy access to every corner of your drawers. Attractive 8-inch brush nickel door handles (in brushed chrome, black or oil-rubbed bronze finishes) resist rust and corrosion.

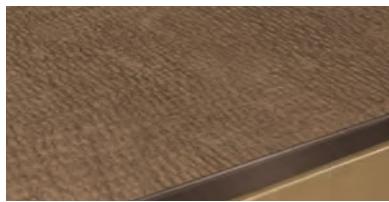

Everything has been selected for durability and long life. These are cabinets you'll never be afraid to use!

Durable, Attractive Countertops

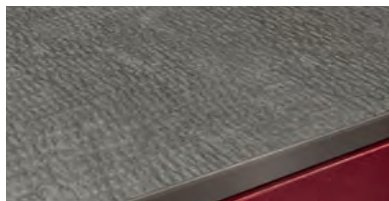

Beautiful Butcher Block

Durable solid Maple Butcher Block countertops are sealed with a clear protective coating. They're great for hobbies, gardening, or light everyday use (such as household repairs or maintenance).

Windswept Bronze

Windswept Pewter

Commercial Laminate

Commercial-grade laminate tops are perfect for everyday use. They feature a smooth scratch-resistant matte surface and a solid color PVC edging. 1-1/4 inch tops include a thick backer, creating an extremely stable top. Choice of two colors – Windswept Bronze and Windswept Pewter.

Industrial-Grade Coating

Need a work surface that stands up to heavy use? Our Impact Coating countertop combines polyurethane and polyurea (the stuff used on truck beds) to produce an extremely durable chemical resistant coating with great impact resistance.

DuraGarage Hardware and Construction Features

- **9-ply birch drawer boxes** with dovetail construction...quality to last as long as your cabinets
- **Full extension drawer glides** rated at 100 lb. capacity allow you to reach every part of your drawers
- **Heavy-duty 6-way adjustable** Euro-style hinges for easy, accurate adjustment
- **Soft close drawer glides** are an available option
- **8 inch brushed chrome** door handles resist corrosion (also available in black and oil rubbed bronze)
- **Adjustable shelves** allow spacing in 1-1/4 inch increments for optimized storage space
- **Adjustable leveler legs** keep cabinets off the floor and away from water and spills
- **Locking dowel** and cam design

Most garage cabinets are limited to one-size-fits-all solutions. But with our DuraGarage cabinets your ProPartner dealer can offer almost unlimited storage solutions.

Fit any space, any need!

With DuraGarage custom-built cabinets, your ProPartner can design your cabinets to fit any space and need. With so many cabinet types and colors you'll find something that's perfect for your needs and tastes. Add attractive countertops, functional slatwall and overhead rack storage to complete your perfect custom solution.

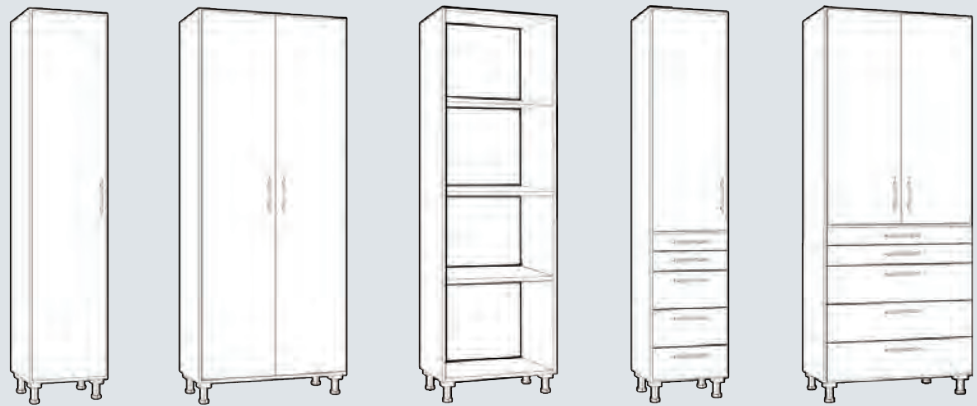

DuraGarage design and installation

The design and installation of DuraGarage cabinets couldn't be easier! Your ProPartner dealer will come to your home and discuss your needs. When your ProPartner has the information he (or she) needs, he will design your garage system and present it to you.

When you've agreed upon the design, your ProPartner will order everything. Once your DuraGarage cabinets have been built and delivered, he will install them in a day or so. All you have to do is fill them and enjoy your new organized garage.

Lifetime Warranty on Cabinets

DuraGarage Cabinets are warranted for a lifetime when properly installed and maintained, and in the possession of the original owner. We will repair or replace defective products or defects in material or workmanship. Covered items include cabinet doors, cabinet boxes, and work surfaces.

Minor scratches, dents, nicks and scuffs are normal wear and are not covered. Deliberate or excessive abuse is not covered.

Lifetime Warranty on Hardware

The hardware used on DuraGarage Cabinets carries a lifetime warranty when properly installed and maintained, and in the possession of the original owner. We will repair or replace defective parts or defects in material or workmanship. Covered items include pulls, hinges, levelers and drawer glides.

Minor scratches, dents, nicks and scuffs are normal wear and are not covered. Deliberate or excessive abuse is not covered.

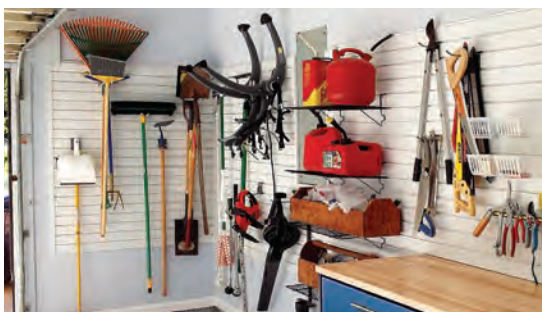

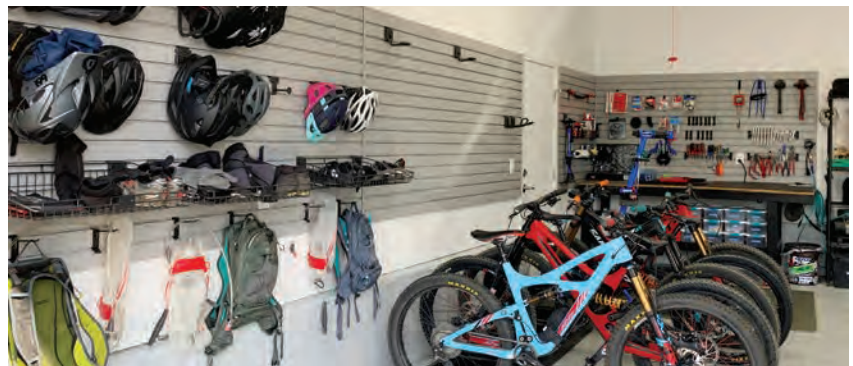

Turn Your Walls Into Great Storage

Free up cluttered floor space with HandiWALL™ slatwall panels. These garage wall organizers are great for keeping everything from garden equipment to toys to bicycles off your floor. As need grows, panels can be added.

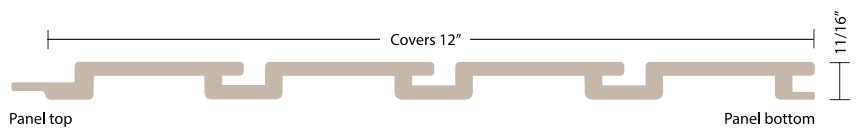

Once you get all your gear organized and off the garage floor, you will be surprised at how much extra space you have, and how much easier it is to find what you are looking for.

HandiWALL™ slatwall features heavy-duty interlocking panels of a blended cellular PVC material and is 100% recyclable. The panel material is solid color, so it will not fade or wear off over time. Waterproof, mold and mildew resistant, HandiWALL™ will last a lifetime.

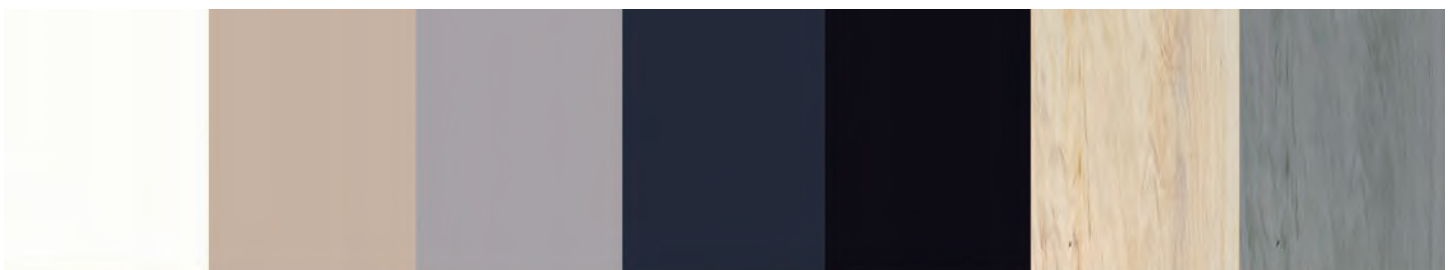

Slatwall panels are 12 inches high and 80 inches long, and can be trimmed to any length. Slatwall is available in a 5-piece package covering 33.3 square feet. Matching color screws and installation instructions are included. Trim moulding for ends, corners and seams is available.

Slatwall Accessory Kits

Overwhelmed by all the choices? Purchase a complete kit that has all you need in one configuration. Whether you want to store sports gear, gardening equipment, toys, or just need general storage, we have a kit to help.

Slatwall Accessories

We offer a huge selection of versatile hanging accessories for your garage slatwall. Choose from bins, hooks, shelves and more. Our accessories have been recently redesigned to include a 'slide to lock' feature that locks your accessories in place so they'll never accidentally come loose.

As your needs change, add more accessories or simply rearrange the accessories you have. Whether it's for your home, office, or commercial space, these slatwall accessories will continue to provide you with an enduring, functional, and beautiful storage solution for years to come.

Slide to Lock Feature

Select HandiWALL hooks and accessories now include a new 'slide-to-lock' feature.

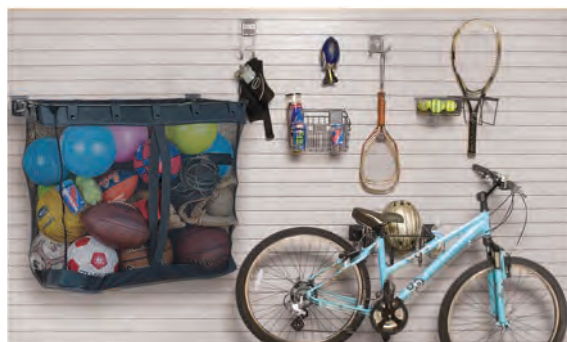

Simply slide the lock button up and your accessory will stay secure until you decide to remove it.

Additional Storage Options

Overhead Storage Racks

Overhead garage storage racks are a great way to make use of the space beneath your garage ceiling.

Ceiling racks are steel with a durable white finish, and feature adjustable heights to suit your needs. Racks have a 600 lbs. capacity.

Available in 2' x 8' and 4' x 8' sizes to fit your needs.

Tire Storage Racks

Wall mounted storage racks store tires of any size. Vertical tire storage reduces stress and tire distortion.

Adjustable racks store tires of various sizes. **Folding racks** fold up against the wall when not in use. Heavy-duty tubular steel construction mounts directly to wall studs to support up to 400 lbs.

TheGarageShop and Our ProPartners

The Garage Shop

TheGarageShop is pleased to offer DuraGarage Storage Products, that will eliminate clutter and get your garage organized for good. DuraGarage offer everything you need to organize your garage... cabinets, slatwall, and storage racks. Everything you need to use virtually every area of your garage.

We never use off-the-shelf solutions... everything is built to your order. We use computer-driven CNC technology and specialized software and systems to build cabinets quickly and efficiently. Finally, we use our unique patented process to powder coat each door and drawer panel, creating a durable finish previously available only on metal.

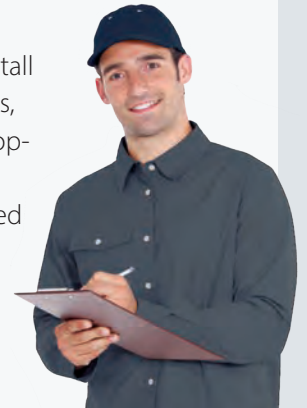

DuraGarage Cabinets are proudly made in the U.S.A., and are designed and built in-house, ensuring the quality of everything we offer. We're so confident in the quality of our cabinets that we stand behind them with a Lifetime Warranty.

Authorized ProPartner Dealers

DuraGarage storage products are available only through our network of ProPartner dealers. ProPartners are trained in the design and installation of DuraGarage cabinets and products.

Your local ProPartner dealer will come to your home to discuss your needs, take any necessary measurements and design a storage solution just for you. When complete, your dealer will present you with a design and a quote. Once you've agreed on the design, your ProPartner will send your design and specifications directly to the factory to build your garage cabinets to your exact specifications.

Finally, your dealer will install your DuraGarage products, ensuring everything is properly installed so you can enjoy your newly organized garage.

No fuss. No mess.
